REPORT TO THE COMMISSIONERS

FROM: Cora McCorvey, Executive Director

SUBJECT: MPHA 2016 Moving To Work (MTW) Plan and Changes to the MPHA Statement of Policies and Section 8 Administrative Plan

**Previous Directives:** On January 6, 2008 MPHA signed a MTW Agreement with HUD making the Agency a full status MTW. This status requires MPHA to create an Annual MTW Plan. On July 6, 2008, the Board approved MPHA’s first MTW Plan under this new agreement and has subsequently approved a new MTW Plan each year following.

**Resident Notification:** The MPHA Board of Commissioners appointed an MTW Resident Advisory Board (RAB) consisting of representatives from the Tenant Advisory Committee, and other members representing MPHA populations groups, including Highrise, Family, Scattered Site and Section 8, for the purpose of ensuring resident and participant involvement in the MTW Plan process. This Report will be discussed with the Tenant Advisory Board (TAC) immediately prior to the Board’s September 23, 2015 meeting.

**Impact on Budget:** The MTW Plan identifies how MPHA resources will be spent, but does not itself have a budgetary impact.

**Procurement Review:** Not applicable

**Recommendation:** It is recommended that the Board of Commissioners adopt a resolution approving the MPHA FY2016 MTW Plan and forward it to HUD pursuant to the requirements of the MTW Agreement. It is further recommended that the Board of Commissioners approve the proposed changes to MPHA’s Statement of Policies and Section 8 Administrative Plan.

The development of an Annual MTW Plan is a requirement of the Revised Standard Moving To Work Agreement between HUD and MPHA. The 2016 MTW Plan includes an Introduction with the Agency’s short and long term MTW Goals and Objectives, general housing authority information, information on MPHA’s on-going MTW activities, MPHA’s 2016 MTW Budget and various other administrative information, including the comments and responses regarding the 2016 MTW Plan. MPHA utilizes the MTW planning process to identify proposed changes to the MPHA Statement of Policies (SOPs) and Section 8 Administrative Plan.
As is its tradition, MPHA undertook extraordinary efforts to solicit input in the development of the proposed changes to the 2016 MTW Plan, and its administrative policies for both public housing and Section 8. Following the appointment of the MTW RAB by the MPHA Board of Commissioners, the MTW RAB met on a regular basis working with Agency staff to consider proposals for the Draft MTW Plan. RAB also developed a statement of “guiding principles” and it adopted priorities which are included in the “Administrative” section of the MPHA MTW Plan.

In addition, RAB was asked for and was encouraged to provide additional ideas and/or guidance to MPHA prior to the publication of the Draft Plan. Once the Draft Plan was presented to RAB, it was also published on the MPHA Website, copied and sent to all building Resident Council presidents, to the MHRC Executive Committee and the Scattered Site and Glendale Resident Councils. Every Public Housing resident received notice of the Advance Meeting and the Public Hearing in their rent statements inviting them to share their comments on the Draft MTW plan by e-mail to MPHA’s Policy and Special Initiatives Department. MHRC published a formal notice of the Advance Meeting and the Public Hearing in the Highrise Lowdown, a publication that goes to 5000 highrise residents. MPHA hosted a luncheon meeting for all Low Income Public Housing residents and Section 8 program participants who attended the Advance Meeting, and solicited and responded to any and all questions from residents and participants at the Advance Meeting. MPHA also provided comment sheets in the Advance Meeting packets for residents and participants who did not have sufficient time to comment on all of their concerns or who were more comfortable addressing their concerns and offering their ideas in writing. Finally, MPHA invited Legal Aid to meet with Agency staff to discuss any concerns and/or suggestions related to the 2015 MTW Plan. Although they did not take advantage of this offer, Legal Aid submitted numerous written comments which are included in the Comments and Responses document which is an attachment to the 2016 MTW Plan.

While MPHA is not proposing any new MTW activities for its 2016 MTW Plan, it has received numerous comments related to the 2016 MTW Plan as well as to the Agency’s current and proposed changes to the SOPs and Section 8 Administrative Plan.

The ‘Comments and Responses’ Section of the 2016 MTW Plan lists the comments by the MTW Resident Advisory Board, attendees at the public hearing, as well as comments received from various resident organizations, key constituencies and individual residents and Section 8 HCV participants during the ‘Comment Period’ (August 1, 2015 through September 4, 2015). Also included are MPHA’s responses the comments and changes to the Draft MTW Plan and administrative policies based upon the comments received.

The proposed Board Resolution is attached to this Report. MPHA’s FY2016 MTW Plan must be submitted to HUD prior to October 15, 2015.
This Report was prepared by Bob Boyd, MPHA Director of Policy and Special Initiatives. For further information, please contact Mr. Boyd at (612) 342-1437 or bboyd@mplspha.org.

WHEREAS, the Moving To Work Agreement requires MPHA to create an annual Moving To Work Plan; and

WHEREAS, MPHA has also identified and made changes to its Statement of Policies (SOPs) and Section 8 Administrative Plan; and

WHEREAS, MPHA is required to submit the Moving To Work Plan to HUD prior to October 15, 2015;

NOW THEREFORE, BE IT RESOLVED, by the Board of Commissioners of MPHA that the 2016 Moving To Work (MTW) Plan and the changes to the Agency’s Statement of Policies and its Section 8 Administrative Plan are approved and that the Executive Director is authorized to submit them to HUD for approval as required.

HEATING CONTROLS CONVERSION
1717 Washington Street NE
**Project Details**

1717 Washington St. N.E. was one of the few remaining highrises with pneumatic (pressurized air) heating controls. Individual heating system controls were replaced with Direct Digital Controls (DDCs) in 182 apartments and various terminal equipment throughout the building. Pneumatic to DDC conversion is a key component of MPHA’s overall energy savings strategy in our highrise buildings. DDCs allow for remote monitoring, control, and diagnosis of HVAC system problems, as well as HVAC systems integration for operational efficiencies.

**Project Timeframe:** June – September 2015
**Project Cost:** $540,000
PNEUMATIC TO DDC CONVERSION

Before – Pneumatic control with air line

After – DDC control with new thermostat control, balancing and isolation valves
