REPORT TO THE COMMISSIONERS

FROM: Cora McCorvey, Executive Director / CEO

SUBJECT: Security Guard Services

Previous Directives: On May 25, 2011, the Board authorized the Executive Director to enter into MPHA contract #PH-10.31 engaging Securitas Security Services USA, Inc. (Securitas) to provide security guard services at MPHA highrises, Glendale, and Central Office properties for a two-year period beginning September 30, 2011, with an option for three additional one-year extensions.

Resident Council Review/Recommendation: The MPHA Security Advisory Committee (SAC), Minneapolis Highrise Representative Council (MHRC) staff, and MPHA staff reviewed the RFP before it was issued and were involved in evaluating and scoring the proposals received. This matter will also be discussed with the Tenant Advisory Committee (TAC) immediately prior to the Board’s August 24, 2016 meeting.

Budget Impact: Security guard services impact the MPHA Budgets in each of the agency’s five Highrise Asset Management Projects (AMP), along with summer services at the Glendale AMP, and the Central Office. The 2016 budget for these services is $1,941,041.

Affirmative Action Compliance: Securitas has a published Affirmative Action Policy that has been approved by the Minnesota Department of Human Rights.

Procurement Review: This Report has been reviewed and approved by the MPHA Contracting Officer.

RECOMMENDATION: It is recommended that the Board of Commissioners authorize the Executive Director or her designee to execute a contract with Securitas in the amount of $4.1 million. This is a two-year contract with the option to extend the contract on an annual basis for up to an additional three years.

A selection committee of MPHA residents, MHRC staff, and MPHA staff reviewed each proposal and scored them using the criteria published in the RFP. Securitas was the top-rated proposer and scored well in relation to others based on cost.

Securitas has provided security guard services to MPHA in each of the last 14 years. MPHA property management, executive, and legal staff all report favorable experiences with Securitas and believe that Securitas has consistently demonstrated its capacity to provide high quality security services to MPHA.

Securitas security guards are represented for purposes of collective bargaining by the Service Employees International Union (SEIU) and are compensated in accordance with the multi-employer, area-wide collective bargaining agreement in effect between SEIU and the local organized security industry.

The proposed Agreement is for two years with an option to extend on an annual basis for up to an additional three years on terms outlined in the RFP. The hourly rate for security guards under the proposed Agreement will not exceed $24.28 per hour during the initial two-year Agreement. Future cost increases are limited by increases in the aforementioned SEIU collective bargaining agreement which typically occur annually.

Based on the current utilization of security guards, command center staff, and the Security Manager, the two-year cost for security guard services under the proposed Agreement would be approximately $4.1 million. Staff is aware, however, that it may be necessary to consider changes in security guard utilization based upon available financial resources and the development of other safety and security considerations. The proposed Agreement allows for such changes during the life of the Agreement.

In the seven county metropolitan area, the Securitas workforce is comprised of 21% women and 60% minority employees. The workforce currently assigned to MPHA is comprised of 94% minority employees and 15% women employees, and an estimated 4% are MPHA residents. The Securitas supervisory team currently assigned to MPHA is 60% minority and 60% women.

This Report was prepared by Mary Boler, Managing Director of MPHA’s Low Income Public Housing Division. For further information, please contact Ms. Boler at 612-342-1453 (or mboler@mplspha.org) or Betsy Grossman, MPHA Director of Procurement at 612-342-1489 or egrossman@mplspha.org.
MEMORANDUM TO: MPHA Board of Commissioners

FROM: F. Clayton Tyler, Chair

SUBJECT: Resolution Honoring MPHA Executive Director / CEO Cora McCorvey

For the past 25 years, Cora McCorvey has served as the Minneapolis Public Housing Authority’s (MPHA) first and only Executive Director. This is an achievement in and of itself, but it pales in comparison to what Ms. McCorvey has accomplished during her tenure with MPHA.

It is my honor to highlight some of the major accomplishments and significant achievements of MPHA under Cora McCorvey’s leadership:

- **MPHA is resourceful, creative, and well run.** When the Agency separated from the City in 1991, it was on the verge of being labeled a “troubled” housing authority by HUD. Yet within 6 years, our public housing program earned HUD’s “High Performer” designation. The highest achievement a public housing program can receive and, in 2007, MPHA achieved the same designation for its Section 8 program. Our Agency has held these cherished designations ever since. In 2006 when HUD required a change to asset management, MPHA became an early adopter resulting in an additional $1 million annually in public housing operating subsidy.

- **MPHA is fiscally responsible and accountable.** In 1991, the Agency’s audit contained 32 findings. Since 2010, the Minnesota State Auditor has qualified MPHA as a “low-risk auditee” demonstrating a history of program compliance, strong internal controls in our financial operation, and no questioned costs. The latest audit contains no findings. Despite significant reductions in funding, MPHA has consistently maintained reasonable reserve levels. Today, the public housing reserves would fund 3.5 months of operating expenses.
MPHA’s has retained an occupancy rate of nearly 99% for many years, has designated twelve buildings with 2109 units for seniors, has six assisted living programs for seniors and two very specialized housing with services programs: one for persons with brain injuries and another for persons with epilepsy.

MPHA consistently fully utilizes its Section 8 voucher increment, housing thousands of families in the private market and through its Project Base Voucher program provides hundreds of individuals and families in need of housing with services.

Negotiated a full status Moving to Work Agreement with HUD. This Agreement designates MPHA as one of only 39 PHAs in the nation to be able to block grant its funding and waive most rules and regulations and target its resources to its mission and priorities.

MPHA has received numerous awards, recognitions and firsts among public housing programs. Years ago, MPHA recognized the unique challenges faced by low-income seniors who with advanced age and increased vulnerabilities were becoming more and more at risk. This led to MPHA’s early efforts to get authorization from Congress to pass legislation allowing for public housing designation for seniors. MPHA was the first PHA in the nation to create public housing ‘Assisted Living Programs’. The first to create slot based Assisted Living for which the Agency won a National Award of Excellence. The first to create a culturally focused Assisted Living program ‘Grace Place’ for Korean Americans at our Cedars Campus. MPHA has won thirty-five National Awards of Merit and Excellence for design, for services and for collaborations; including Awards for our Heritage Park Senior Campus with an Award in Excellence for Design and an Award of Merit for our Collaborative Services. Our latest awards received in 2016 include a NAHRO Award of Merit for the MPHA - Alliance Housing Partnership promoting employment and self-sufficiency for homeless families and NAHRO Award of Merit for Signe Burckhardt Manor, a MPHA -Augustana partnership to create an Acute Assisted Living Memory Care program in an established building.

In developing Thomas T. Feeney Manor, MPHA achieved another first. MPHA was the first Public Housing Authority in the nation to create an acute assisted living Memory Care program providing housing and services for those with Alzheimer’s disease and other forms of dementia.
- MPHA has become ‘Smoke Free’. It achieved this status in August 2015, with all 42 of its highrises designated ‘Smoke Free’.

- MPHA is one of few public housing agencies in the nation to successfully settle and fully implement a desegregation law suit and the only one to move public housing units from the core city into suburban communities.

- MPHA has been very successful in identifying and acquiring resources that have enhanced its capacity to better serve residents and its program participants; including:
  
  o **American Recovery and Reinvestment Act (ARRA)** – $50 million, with $32 million through a competitive process – With these funds, MPHA created a new state of the art Senior Services Center and first-in-nation Acute Assisted Living and Memory Care public housing development. Also, the Agency engaged in a major ‘green’ energy initiative for its scattered site properties.
  
  o **Energy Performance Contracting (EPC)** - $33.6 million for major energy savings initiatives for its highrise developments. MPHA was able to secure an additional $3.4 million through a refinance of its EPC and increase the number of energy performance measures for its operations.
  
  o **Hollman Settlement**: Over $118 million for demolition and replacement of public housing units. MPHA increased this amount by an additional $40 million through utilizing its Moving To Work (MTW) authority.
  
  o **HOPE VI** – $14.6 million for creation of new Senior and Assisted Living development ‘Heritage Commons at Pond’s Edge’.

- In 2012, as part of its comprehensive Strategic Plan the Board changed the Agency’s mission to recognize that partnerships are critical to MPHA’s success. MPHA has various services and partnership agreements with 39 organizations.
MPHA’s greatest and most significant partnership is that which it has with its residents. MPHA works with its community-wide resident organization, the Minneapolis Highrise Representative Council (MHRC), a nationally recognized and award winning resident organization, that represents over 5000 MPHA highrise residents and over 30 individual Resident Councils.

These accomplishments by MPHA under Cora McCorvey’s leadership only hint at the contributions she has made to the lives of tens of thousands of low-income individuals and families in the City of Minneapolis. MPHA with its annual $100 million budget has also been an economic engine contributing to the economy of our city and specifically to minority and women business enterprises. Ms. McCorvey has performed and achieved while assembling one of the most effective and most diverse staff of any organization or business in the City.

It is the right thing to do, to honor Ms. McCorvey and her work, by recognizing her in a manner that, like her 25 year impact on MPHA, will go well beyond her tenure. I am asking the Board of Commissioners to pass a resolution that confers Cora McCorvey’s name on one of her most stellar achievements: Heritage Park Health and Wellness Center should be renamed, Cora McCorvey Health and Wellness Center.
RESOLUTION No. 16-166

Whereas, For the past 25 years, Cora McCorvey has served as the Minneapolis Public Housing Authority’s (MPHA) first and only Executive Director; and

Whereas, Under the leadership of Cora McCorvey, the MPHA moved its low rent public housing program from a housing authority at risk of being labeled “troubled” to a United States Department of Housing and Urban Development (HUD) designated “High Performer” agency in 1997; and in 2007 MPHA achieved the same designation for its Section 8 program. MPHA has held these designations ever since; and

Whereas, Cora McCorvey brought leadership, accountability and responsiveness to the operations of MPHA and transformed the Agency into one of the premier providers of quality, safe, decent and affordable housing in the nation; and

Whereas, MPHA has received numerous national, regional and local awards, recognitions, established many firsts among public housing programs in the nation, has retained an occupancy rate of nearly 99% and consistently fully utilizes its Section 8 voucher increment; and

Whereas, through her 25 year tenure as Executive Director, Cora McCorvey has made a difference in the quality of life of tens of thousands of low-income individuals and families in the City of Minneapolis; and

Whereas, Cora McCorvey has demonstrated through her passion, values, and commitment, the qualities of outstanding public service which serve as a model to MPHA staff, residents and others seeking to excel in service to the public.

NOW THEREFORE, BE IT RESOLVED, by the Board of Commissioners of MPHA that in recognition of the contributions, achievements and successes of Cora McCorvey, the Heritage Park Health and Wellness Center shall be re-named the “Cora McCorvey Health and Wellness Center” and that MPHA staff shall take whatever steps may be necessary to implement this Resolution.

A Search Committee has been assembled to bring direct input into the search process from MPHA Commissioners, residents, community partners, and the City of Minneapolis. MPHA Executive Search Update

To:         MPHA Commissioners  
Date: July 15, 2016  
From:  Thomas DeAngelo  
        MPHA Commissioner and Committee Chair

Please see the June 21 Update for an overview of the Executive Search Consultant Selection, the Search Committee Members, and an outline of the overall Search/Selection schedule.

Outreach
We are currently in the Community Outreach or Discovery Phase of our process. During this phase, we are reaching out to a cross section of community partners, senior staff, and MPHA resident groups to provide the Committee with input regarding the search for the next Executive Director for MPHA.

On July 7, 2016, the Minneapolis High Rise Council hosted a forum to provide our Search Committee with input into the Search Process. The meeting was noticed to interested and available High Rise, Glendale, and Scattered Site residents. Approximately 50 residents attended. Participants were asked to provide input into the qualities desired in the next Executive Director and the important issues facing MPHA now and in the future. Many thoughtful comments were received, and a transcript of these comments is attached.

Five of our Search Committee members (including 3 Commissioners) and Chris Cohen from our Executive Search Firm were present, with an expressed purpose to listen to resident comments. We want to thank Commissioner Tamir Mohamud, who attended the meeting and offered his comments, and Barb Harris and Mary McGovern of the High Rise Council for hosting this forum.

CohenTaylor conducted a series of meetings with Cora McCorvey and senior staff members during the week of July 11-15 to gain their input into the search process. In addition, they are reaching out to over 60 community partners and national public housing experts to gain their perspective and input.

The input from this Discovery Process will be shared with Search Committee members and integrated into the Position Profile that will be advertised to candidates and made available by the end of July.

Schedule
We remain on schedule with our agreed-upon process with our consultant, CohenTaylor, who will be recruiting and reviewing potential candidates this summer and bring a list of candidates to our Search Committee for review and for interviews during the month of October. Our goal remains to bring recommendations to the MPHA Board at our November meeting.

Communications
MPHA will be posting information regarding this Executive Search at http://www.mphaonline.org/ This posting will include the Position Profile, the 2015 Leadership Planning Report, these Executive Search Updates, and other information as it becomes available. Please refer inquiries to info@cohentaylor.com for any questions regarding the search process, possible candidates, etc.

In this section, MPHA provides operating information, housing stock information, significant planned capital expenditures, leasing and waiting lists information.

**Proposed MTW Activities:**
MPHA is not proposing any new MTW Activities for 2017. In the Short and Long Term Goals section, MPHA discusses possible areas based upon discussions with key constituencies where new MTW Activities could be explored.

**Approved MTW Activities:**
In this section, MPHA provides updates to its current initiatives to HUD and identifies two activities that it proposes to move to ‘Closed Out Activities’: 1) Foreclosure Stabilization Targeted Project Based Voucher Demonstration Program – this activity has been successfully implemented and has become part of the Agency’s regular Project Base program; and 2) Absence from Unit Initiative – MPHA has determined that the administrative burden and hardship this creates for very low income immigrant families is not cost effective and is unduly burdensome.

**Not Yet Implemented Activities:**
MPHA has only one initiative in this Section. The goal of this initiative is to convert the 312 mixed financed public housing units to Project Base Section 8. Heritage Park RAD conversion, if successful, will accomplish this initiative for 200 of the 312 units. MPHA does has not been able to identify resources for the remaining 112 at this time.

**Closed Out Activities:**
HUD requires MPHA to track all MTW Activities that have been ‘closed out’. Including the two closed out activities proposed for 2017, MPHA has closed out nine MTW Activities.

**Sources and Uses of Funding:** MPHA identifies for HUD its proposed 2017 MTW budget and estimated uses for those funds.
Proposed changes to the 2016/2017 MPHA Statement of Policies (SOP)

Following are proposed changes to the Minneapolis Public Housing Authority’s (MPHA) Statement of Policy (SOP) for the 2016/2017 time period. These do not include any minor changes to the document as a result of punctuation, spelling errors, capitalization errors or incorrect formatting. You can view the full SOP at:

Part I - Definitions – (Page 8/9)

Insert new language in #4. Annual Income (24 CFR 5.609) - #17:

The incremental earnings due to employment during a 24-month period following the date of the initial hire, “the first 12 months will be a 100% disregard and the following 12 months will be a 50% disregard” for families:

Insert new language for #6-Assets:

“Interest, dividends, and other net income of any kind from real or personal property. Where the family has net family assets in excess of $5,000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD. MPHA shall obtain 3rd party verification of assets upon admitting a family and at least every three years thereafter. During the intervening years MPHA may accept the family’s declaration of assets where the combined total is less than $5,000.”

Part II - Requirements for Admission (PAGE 22)

(2) Eligibility

A (3) – Delete former language and insert the following –

“Documentation of a valid Social Security Number (SSN) for each household member, with the exception of individuals who do not contend eligible immigration status. Exemptions also include existing public housing tenants who were at least 62 years of age as of January 31, 2010, and had not previously disclosed a SSN.”
MPHA will accept the following documentation as acceptable evidence of the SSN:
(a) An original SSN card issued by the Social Security Administration (SSA);
(b) An original SSA issued document which contains the name and SSN of the individual; or
(c) An original document issued by a federal, state or local government agency which contains the name and SSN of the individual.

MPHA may reject documentation of a SSN if the document is not an original document or if the original has been altered, mutilated, is illegible or appears to be forged. MPHA may grant a 90-day extension to provide proper verification. MPHA may grant an additional 90-day extension if the applicant’s failure to provide proper documentation was outside the individual’s control and due to unforeseen circumstances.”

Part IV - Preferences (Page 28-30)
(1) Change in last two sentences –
MPHA will not place any family on the waiting list “that” (who deleted) does not have a local preference. “MPHA reserves the right to limit the number of Applicants placed on the waiting list based on preference points and sound management practices.”

(12) Notwithstanding any other provision to the contrary MPHA may accept applications and house MPHA staff who “have passed the prescribed probationary period and” are otherwise qualified and eligible without regard to preference.

Part V - Waiting List Assignment Plan and Designation of Buildings (Page 32)
5.D.1 – MPHA will offer (delete four) “two” highrise units to an applicant for a highrise unit.

Part VI - Occupancy Standards and Lease Add Ons (Page 33)
1.E. – Notwithstanding any other provision to the contrary, a former public housing Tenant “or Other Adult” who was removed from any lease or unit subsidized by MPHA, will not be approved as a lease add-on or a Registered Guest for three years after the date of removal.

Delete Section D – MTW HARDSHIP EXEMPTION

Part VIII - Tenant Transfer (Page 42/43/45)
1. Delete the next to the last sentence – “Tenants requesting a transfer to a smoke free property must have been a non-smoker for at least 3 years.”
1. Adding a new “G” – “A Tenant may not request a transfer for one year after refusal of a suitable unit without good cause.”

2. F.2.2 MPHA Transfers – New language added - 
   MPHA will offer one appropriate unit based on the unit size needed and the date of the approval of the transfer. “MPHA may make an additional offer based solely on the fact that the unit previously offered would place a hardship on the family because the location is not accessible to the family’s employment, job training, daycare, child’s educational facility, or medical or support services.”

Part X - Reexamination of Tenant Eligibility and Rent Adjustments (Page 49)
5. Verification of Tenant’s Statements and Income – addition of language as follows:

   For asset income verification MPHA will seek third party verification of bank accounts “annually” when the total value of all assets is over $5,000 “and every three years for assets when the combined total is less than $5,000. Because banks do not timely provide 3rd party verification for bank accounts and other assets,” MPHA will review the “official” documents “provided by Tenants” to determine asset values.

Part XVI - No Smoking (Page 68)
3. Addition of the following buildings to the list – “311 University Ave NE, 809 Spring St NE, 828 Spring St NE, 1700 East 22nd St, 2121 16th Ave So, 2109 16th Ave So”

Part XVII - Pet Policy (Page 68/71)

In addition, service animals must be registered and follow sections 4,5,6,7,8,9 and 10 of this section, except the Tenant will not be charged a Pet Deposit.”
“4. ASSISTANCE ANIMALS – An assistance animal is not a pet. Tenants must make a request for a Reasonable Accommodation in accordance with MPHA policies (see Part XXI) in order to possess an assistance animal.”

Part XIX - Death of a Tenant Vacate (Page 77)

There are several changes to this section as follows:

1. MPHA will attempt to contact the person(s) listed on the emergency contact form. Tenants complete this form at the initial lease signing and during the recertification process. MPHA will give unit keys only to the contact person(s) listed on the form “or next-of-kin. MPHA reserves the right to change the unit locks or otherwise take measures to secure the unit upon the death of a resident.”
