Approval of Minutes:

The Minutes of the Regular Meeting of June 28, 2017, were presented for approval. Commissioner Lutz moved the minutes be accepted as presented. The motion was seconded by Commissioner Isse. Upon a voice vote, the Chair declared the motion carried.
Executive Director’s Update:

In an effort to keep MPHA Commissioners, staff and the public informed regarding significant activities being addressed by the Agency, Executive Director Russ spoke briefly on the topics shown below, upon which the Board took no official action:

- This month I attended the Council of Large Public Housing Authorities (CLPHA) meeting in Washington, DC. There were notable discussions around the links between “housing and education” and “housing and health”. One memorable piece of information is that simply putting a person in housing cuts their health care cost by 15% within three months. Also, during the CLPHA meeting it was announced the House put their version of HUD’s 2018 budget to paper. While the numbers are a marginal improvement over the Trump administration’s proposed budget, we are looking at further reductions in the HCV Administrative Fees, which we use to support the Voucher program, potentially below 75% of the formula amount we should receive. In addition, the Public Housing Operating Fund number is anemic, continuing a trend of proration well below the formula amount needed to operate our buildings.

- We have been doing significant outreach and discussion both in the community and MPHA highrises about the preservation of our buildings. Last night we had an excellent meeting with 15 Somali community leaders and one of the Imams from a major Twin Cities mosque. I want to acknowledge and thank the MPHA Somali staff for arranging the meeting. During this important meeting, we discussed the start of MPHA’s journey to begin to come up with plans and financing for the reinvestment in our properties. I have a meeting with the Somali staff this week to discuss how to build upon our relationship with the Somali community leaders.

- In response to a question from Vice Chair Lutz: Our “Thinking Locally, Solving Regionally” Convening is scheduled for August 14-15, 2017. The focus is on how the region’s housing authorities can collaborate to increase mobility and opportunity for families using housing vouchers across the Twin Cities. We have over 50 people confirmed to participate and so far eight of the 11 regional housing authorities have committed to participate. I would encourage the Commissioners to attend this conference.

Item No. 1: General Contractor/Consultant (GC/C) Services at Minnehaha Townhomes

After a brief presentation by staff and discussion, Commissioner Lutz moved approval of the recommendation set forth in the Report. Commissioner Letofsky seconded the motion. Upon a voice vote, the Chair declared the motion carried. [See Document No. 2017-25]

Receive and File Items:

The following items were received and filed by the Board:

Executive Director Russ noted substantial revisions to the presentation of this month’s HCV Performance Report materials, with changes to additional portions of the report on the way in coming months. He encouraged Commissioners to let him know about whether they find the changes helpful, or suggest additional improvements.

Adjournment:

There being no further business to come before the meeting, and upon a motion duly made and seconded, the meeting was adjourned at 2:10 p.m.

REPORT TO THE COMMISSIONERS

FROM: Gregory P. Russ, Executive Director / CEO

SUBJECT: Combining the Moving to Work Resident Advisory Board (RAB) and the Tenant Advisory Committee (TAC) into a single committee of the Board

Previous Directives: The Tenant Advisory Committee (TAC) has been an advisory committee to the MPHA Board of Commissioner since before MPHA was an independent Agency. The Resident Advisory Board (RAB) was first authorized by the MPHA Board in 2000 following HUD’s requirement that PHAs develop an annual Agency Plan and reconstituted it as the Moving to Work (MTW) RAB in 2008 following MPHA’s MTW Agreement with HUD.

Resident Association Notification: The TAC and MTW RAB have both been informed of the recommendations that the two committees be merged and have expressed support for this change.

Impact on MPHA Budget: Minimal – TAC and RAB members may be provided a stipend for their participation.

Affirmative Action Compliance: Not applicable. The TAC and RAB committees are made up exclusively of MPHA residents and Section 8 participants.

Procurement Review: Not applicable.

RECOMMENDATION: It is recommended that the Board of Commissioners authorize the merger of the MTW RAB and TAC into a single committee and to create a Memorandum of Understanding (MOU) with the new Resident Advisory Board that would combine and detail the specific responsibilities of the newly formed committee.

The Tenant Advisory Committee (TAC) and the Moving to Work (MTW) Resident Advisory Board (RAB) are resident/participant committees formed by the MPHA Board of Commissioners to provide feedback to the Board and planning activities related to the Agency for its Annual MTW Plan. Many of the MPHA actions that come to the Board of Commissioners are related to the
Agency’s MTW programs and activities and often overlap with the work of the MTW RAB. MPHA staff have had conversations with members of both TAC and MTW RAB as well as with the Minneapolis Highrise Representative Council (MHRC) and have concluded that residents and participants would be more engaged and have more meaningful roles to play if the two committees were merged. As these are committees authorized by the MPHA Board of Commissioners, a recommendation to merge the two committees should be approved by the Board. Currently TAC has a governance structure that includes bylaws and MTW RAB was authorized by the Board pursuant to HUD requirements. If approved, the merger would be confirmed by an MOU that identifies a structure for the new committee and details their specific responsibilities and duties.

At a minimum, the new MTW RAB Committee would include the following:

- 3 representatives from the Minneapolis Highrise Representative Council (MHRC);
- 1 representative from MPHA’s Glendale Family Development;
- 1 representative from the Minneapolis Scattered Site Resident Council (MSSRC);
- 2 Section 8/HCV Program Participants;
- 3 members of the Management, Maintenance, and Modernization Committee; and,
- 1 member of the Security Advisory Committee.

The Investments and Innovation Department will work with the MHRC, the Minneapolis Scattered Site Resident Council (MSSRC), MPHA’s Glendale Property Management staff and, once formed, the Glendale Resident Council, as well as our Section 8/HCV Department to ensure that both Public Housing residents and Section 8 program participants have an opportunity to participate on the committee.

This Report was prepared Bob Boyd, MPHA’s Director of Investments and Innovation. If you have questions or need additional information, please contact Mr. Boyd at (612) 342-1437 or bboyd@mphapha.org.

July 2017 Performance Report
July 2017 Highlights

Kelly Davis was awarded the HCV Impact award for the month of July for his stellar communication skills and his high accuracy in data entry and rent calculation. Kelly has worked in MPHA since 2008 doing a wide variety of job duties from administering all the port outs, having a full caseload and now working with one of the three Project Based Voucher caseloads. In addition to administering a full caseload, Kelly is also the president of MPHA’s AFSCME Union local 551 and has been for several years. He is a natural leader who makes sure that everyone from the participants in his caseload to his union brothers and sisters are taken care of. There is no surprise in the office that Kelly has received the July HCV Impact Award because on and off duty Kelly works hard to improve the lives of others! Congratulations to Kelly Davis!
